Thanks Carol.

EPA is available next Thursday. It will likely be Erin, Doug, Ray, and myself.

Marty, can you confirm MDNR availability and that of the MDOC facility. Thanks.

Don't hesitate to call, if necessary, anytime.

Likewise, Mark, we appreciate your willingness to work with us.

After checking schedules, there is only one day next week that Marty Miller, David Walters, and I are all available – Thursday, January 12. And I don't know whether the other DNR participants are available that day.

The following week, PSTIF would be available:

Monday, January 16

Wednesday, January 18

Thursday, January 19

Given the difficulty of coordinating everyone's schedules, your suggestion that we meet in Sedalia makes sense. Perhaps we aim to begin mid-morning and wrap up by mid-afternoon?

And, as you suggested, if it requires an iterative process to cover all the important issues, we're certainly willing to "keep at it" as long as needed.

Carol

P.S. Scott -- I'm not sure how to spell Erin's last name, so couldn't include her in this email – Will appreciate it if someone there will coordinate as needed with the appropriate EPA folks.

Mark,

Harry Bozoian has left his position as DNR Director, so I am now coordinating on this issue with Marty Miller, DNR General Counsel and PSTIF Trustee.

Marty and I would like to call you between 1:00 and 3:00 this afternoon. We only need 10-15 minutes of your time, at most. Are you available and, if so, when should we call and to what number?
